AFTER SCHOOL PROGRAM

INFORMATIONAL GUIDE

WE ARE THE COMPASS FOR KIDS.

DISCOVER US

Discover After School offers before and after school care, after school clubs, and camps on non-school days. We are guiding children to explore their talents, which will lead them to draw a connection with passion and career readiness. Daily activities may include homework time, STEAM activities, art, drama, crafts, music, dance and organized games. Daily nutritional snacks are provided.

SAFETY

Safety is our first adventure, and your child's safety is our #1 priority. Parents or guardians must sign their child out of the after school program daily. Students will only be released to authorized persons on the student registration form. All authorized pick-ups must show identification if asked by program staff.

BEHAVIOR

Discipline and student conduct for the after school program will be consistent with the standards for the school day as outlined in the Student Code of Conduct. Discover After School instructors use 4 steps to address the student's behavior: **Step 1.** Positive Reinforcement to redirect negative behavior. **Step 2.** Documentation and Parent Face to Face, if such behavior continues. **Step 3.** Possible Suspension + Principal Notification **Step 4.** Dismissal. Discover After School has the right to remove the student from the program.

EMERGENCY/ILLNESS

In the event of a medical emergency, a Discover team member will attempt to contact parents at the phone number provided during registration. In the event the parent or guardian cannot be reached a Discover team member will make every attempt to contact someone on the student's emergency contacts. Please be sure that you continue to provide the most recent and update contacts for emergency contacts.
